

Family Christian Bookstore Used Books Purchasing Policy

1. We will accept no more than 3 boxes/bags of books per customer at any one time, but no fewer than 10 books.
2. We will endeavor to evaluate your books within a three week time period, depending on the busyness of the season.
3. We have the discretion to accept or reject books for store credit without needing to explain our decision in this regard.
4. After we have evaluated the books, we will contact you with our offer for store credit only for those books we would like to accept.
5. You will be given the option of rejecting our offer and requesting the return of all your books. Once you have contacted us stating that you would like your books returned, you have 30 days to pick them up or we will dispose of them at our discretion.
6. You have 30 days to accept our offer on the books we are interested in accepting. During this time period, you should return to the store and pick up your store credit. At that time you are requested to take back the books we are not interested in accepting, or leave them for us to dispose of as we see fit.
7. If 30 days have elapsed from the time we have contacted you with our offer and you have not contacted us stating that you want the books returned, we will assume that you have accepted our offer for store credit. At that time the books that we are not accepting will be disposed of at our discretion and the books we have decided to accept will be put out for sale on our shelves. The store credit will remain in effect until such time as you come into the store to pick it up.
